

# PROJECT REQUIREMENTS

Project must be on poster board or in a power point presentation, like the example below.

Project must include four objects, photos, etc. that illustrate four separate events in the book and a short description/explanation for each.

Project must include four photos, drawings, etc. of characters in the book and a description of each explaining how they relate to the story.

Project must include the title, author of the book, and your character's name.

Be creative.
